“We should be so joyful from God’s grace that others would respond by saying ‘I wish I had your God.’” – [Francis Chan](#)

My name is Barb Freeman and I hail from the small town of Table Rock, Nebraska. My story is simple: I was born and raised within 6 miles of where I now live and have no amazing stories to tell, but I live a full life of faith and family. I’ve been married to the love of my life for 40 years and, though I’ve been a lifelong believer, I credit him for getting me started on my walk with Jesus. God has blessed us with 3 children and 5 grandchildren all of whom live nearby and go to the same church...one of my greatest blessings! I love the Lord and will tell anyone who’ll listen about the wonderful things He’s done for me. God is Good!

**Please be praying for Barb as she pulls her messages together to help us understand being ROOTED.**

I pray that you, being rooted and firmly established in love, may be able to comprehend with all the saints what is the length and width, height and depth of God’s love.  
Ephesians 3:17-18
